

As stood in front of the Shutting atomic doors their despacation grew. They Simply had to get apast but they wheer Cooles how to achere this impossible goal all of a sudden Linpe saw his Satriashan a posh Lady was about to enter the Sooper market her big Bag was open this was ther chense thag hat to take this chens to get apast cat Scarate.

Whith One huge effort they both Lancht then Sehes into the bag. It was ~~all~~ covered whith tishos hooman, hooman contact thing thing and those cone things thag goos to get stur with. with ^{won} ugg Breth they hopt out of the bag they wer astonisht of all the goodes and wepers like the Hooman telaporta, Care things whith wepers to pagar ther shoping but the worst of all was the tall long pol craste sord things pugut and Linpe hoped the hoomans wood not youxs it egese then.

~~egg~~ ugg was happily strolling towards the Bred Stiks. And he was about to take a bite. all of a sudden Bang a Hooman picks up the Bred Stik and start traging to wath ugg. ugg was sturro rite on top of it out of now wer ugg lone fraying of the Bred Stik was this thre end of ugg.

* Linpe and pugst wher tuning for 4 hours up the hooman transport thinge they ugg but he was write on the top of the Shoth but how could get up the hoomans transers but Linpe thort that was a bad idear Linpe cant up with a exelent idear a Lader Linpe found a Lader but it was a Little Smart pugst came up with an exelent if

a pig. back so they went on with
the pig but the ladder started to wobble
but piggut and timed up just in time
and rescued egg.
